Lawrence County
In years past, Shenango China was manufactured here and presidential service collections were used in the White House for President Eisenhower and President Johnson. Along with President Reagan having a collection specifically made for Air Force One. Locals traveling across the country will quite often still pick up dinnerware to check if it was made by Shenango China.

Bob Hope can be heard on YouTube speaking about his start in New Castle as part of a vaudeville production. The Warner Brothers; Sam, Albert, Jack and Harry, established their first motion picture theater in 1907 showing the silent film “The Great Train Robbery”. This nickelodeon is being revived and is now accepting tours at the Historic Warner Cascade Theatre Museum.

New Castle is the county seat of Lawrence County and is known for being the Fireworks Capital of America. In the 2011 movie, Super 8, New Castle was referenced as “The Fireworks Capital of the World”. The locals are very proud of their heritage and it shows.

The two main parks are Ewing Park (baseball field, tennis, bocce and basketball courts, swimming pool and an area just for kids – Kid’s Created Kingdom) and Stiefel Park (Softball and dek hockey). Other notable mentions are the nature trail, community plaza and the local farmers market.

GOOD FUN
The fourth largest old order Amish community in Pennsylvania is in Lawrence County.

Residents
The Old Order Amish sect in Lawrence County settled around 1847. Currently, there are approximately 2,300 Amish residents in 19 church districts surrounding the villages of New Wilmington and Volant. The average family has seven children with each, starting at the age of seven, having daily chores to complete.

Clothing
Amish are easily identified by their appearance. The men grow a beard once they marry and always wear a hat. The women’s dress, primarily in blue, are dosed with straight pins rather than buttons because the church feels that buttons are too showy. They always wear a covering on their heads.

Language
Amish speak a dialect of German known as Pennsylvania Dutch, the language spoken at home. English is taught to children beginning in first grade.

Homes
The Amish live on farms without the convenience of electricity. Many Amish homes include additions or small detached dwellings called “dawdy” houses, where grandparents live.

Graveyard
A small nondescript Amish graveyard is located behind the white gate at the intersection of Auction Road and High Street outside New Wilmington. The small stones remember Amish; the larger stones remember Mennonites.

Schoolhouses
Most of the Amish children attend one of 19 different Amish-run parochial schools in the area. When in session, 25 to 30 children from first to eighth grade are enrolled in each. To complete school they much take and pass a difficult eight-grade proficiency test.

Auction House
The Auction House is located off Route 208 in New Wilmington. Amish and English farmers meet at the market every Monday to socialize and purchase goods such as livestock and kerosene.

Transportation
The Amish mode of transportation is a horse and buggy, although for work or long distance travel they will ride a bus or hire a vehicle to transport them. Brown-capped buggies are unique to Lawrence County.

Photographs
While touring the Amish Countryside, please refrain from taking direct photos of Amish faces. This is forbidden by the church because they consider the human spirit more important than the body.

When planning your adventure, save time to enjoy the fabulous foods offered in Lawrence County. This delicious culinary adventure will please any palate and easily fit in any budget.

Dine Like a Local
Dine on foods that are indicative to Western PA. Try the unconventional French fries on a salad, Italian wedding soup, lamb on the rod and grape leaves from the Middle East. Whatever you choose, it’s all here in Lawrence County.

**Western PA Salad**
A heaping helping of crispy French fries sit atop your favorite bed of lettuce with adorned with chicken or steak, tomatoes, cheese and dressing makes this a staple in Western PA. A fun, fresh and creative twist on a traditional salad.

**Wedding Soup**
A hearty soup made with greens, meatballs, chicken, pastina and vegetables in a delicious chicken broth. A warm bowl of Italian comfort.

**Sticky Buns at Tavern on the Square**
Made famous by Cora Durrast since 1931, The Tavern Sticky Buns are homemade and baked fresh daily. Served warm with a pat of butter, it’s hard to resist these sweet rolls. You can eat them as an appetizer, dessert, or take them home for a treat.

**New Castle Chili Dogs**
A product of Greek immigrants who came to New Castle in the early 1900’s, New Castle chili is different from any other chili – it’s a thin sauce with minced meat. Make sure to order a hot dog with “everything” meaning chili, onions and mustard.
The Tavern is a destination restaurant in the heart of Amish country. Featuring five uniquely themed dining rooms, including a spring room and a banquet room seating up to 60 guests, ready to host your next memorable moment.

Designated a National Recreation Trail in 2003, The Stavich Bike Trail is the only bicycle trail in the United States that will take you through three different townships, two different counties and two different states.

Twelve miles long and eight feet wide, the Trail runs parallel to the scenic Mahoning River and the rails of the former Youngstown-New Castle street car line. Over rolling hills, through farmlands and wooded countryside, the Trail unfolds east and west to provide safe, barrier-free recreation all year long. In the spring, summer and fall, the Trail is open for bicycle riding, hiking, walking and jogging; in the winter, the Trail is used for cross-country skiing. Hours of use are from sunrise to sunset.
A trailhead is located on West Washington Street near Covert Road in Union Township.

Master Gardeners planted 7500 daffodil bulbs at the entrance of the trail in 2010.

Fun fact
The North Country National Scenic Trail (NCT) offers twenty-nine miles of off-road hiking and eleven miles of temporary connector road walk in Lawrence County.

The Trail Town of Wampum offers a welcome to hikers, offering a small-town Pennsylvania atmosphere, an opportunity to resupply, and a chance to visit different historical structures and landmarks.

This wouldn’t be possible with our local Wampum Chapter of the North Country Trail Association. They are responsible for building, maintaining, and promoting the North Country Trail from Alpha Pass at McConnell’s Mill State Park to the PA/OH state line.
The eastern section of NCT travels through the spectacular Slippery Rock Creek Gorge in McConnell’s Mill State Park. The western part showcases the agricultural and industrial past and present of western PA, traveling past abandoned coal and limestone mines and family homesteads, the remnants of the infrastructure that once made this area the ‘brick capital of the USA’, and working farms and small factories and businesses.
Once you’ve taken in the sights, dined on delicious foods, and had a sip or two of the local wine and brew, choose one of our comfortable hotels, find the perfect bed and breakfast, or maybe a rustic cabin or yurt.
Kick Back and Relax

In the northern part of the county and in the heart of the Amish Countryside you have your choice of the charming Cedar Farm Inn and the luxury retreat of the Jacqueline House of Wilmington Bed and Breakfast. Both offer a beautiful country setting and a front porch to rock the time away watching the many Amish families drive by in their horse drawn brown buggies.

Centrally located in and around New Castle the choices include clean and comfortable rooms in one of our several hotels, with or without a pool. Many offer a complimentary breakfast with each stay.

Beautiful and rustic campgrounds are located in and around our county with options for underground ATV riding, in ground pools, Yurts, cabins, and RV set-ups. These family friendly sites, many of which are full service, allow you to enjoy nature with unlimited options for each adventure.

The word “event” is defined as a thing that happens, especially one of importance or a planned public or social occasion. Events are a good way to get together with loved ones, old friends or to experience something new.

We have plenty of events in Lawrence County all year round. Kick off spring with trout stocking in Volant, dozens of opportunities to see fireworks light up the night sky throughout the summer – we are the “Fireworks Capital of America” after all. Fall leaves start to fall with perfect weather for pick-your-owns and haunted experiences, while winter kicks off the holiday seasons with numerous parades and the ice skating rink.

The following calendar is a year overview. It barely scratches the surface... to see more events visit our website at VisitLawrenceCounty.com/events
